

**Financial report on the year 2019**

The Commission applied for and received a grant of \$1000 from DLMPST to support travel and accommodation of speakers at the Commission's symposium during the Prague Congress. This was intended for Saloua Chatti who was travelling from Tunis. Unfortunately she suffered acute appendicitis a week before the Congress and was unable to attend. Most of her travel and accommodation expenses were recovered. As a result the \$1000 is still unused; it is being held by Wilfrid Hodges for use in 2020.
