

Activity plan for 2023

We plan to continue work on the website and its associated YouTube channel, as proposed in the Activity plan for 2022.

One of the duties of the Commission is to provide a Symposium on Arabic Logic for the CLMPST in Buenos Aires; but for health reasons we will not be able to provide a symposium in person. So, we are examining the possibility of setting up a virtual symposium. This should be available on the website by the time of the Congress, though sadly it will not feature in the programme of the Congress.

At present there is no need for any financial help.
